Waukesha County Received Distinguished Budget Presentation Award

Waukesha, WIS. –Waukesha County received the Distinguished Budget Presentation Award from the Government Finance Officers Association of the United States and Canada (GFOA).

“I am proud of our budgetary practices and continued effort to provide residents with the best budget possible,” said County Executive Daniel M. Finley. “Our department heads and budget staff are instrumental in helping us accomplish this task.”

Since 1984, GFOA has awarded approximately 800 governmental agencies with the award, and assesses them on how proficient the budget is at serving as a policy document, a financial plan, an operations guide, and a communication device.

GFOA is a non-profit, professional association that serves 13,000 government finance professionals throughout North America and provides the only national awards program in governmental budgeting.
